*For International Students: When you leave Japan, please present your Residence Card at immigration in the air port of departure. In principle, those who plan to re-enter Japan within one year of departure and before the expiration of their period of stay will not be required to apply for a Re-entry Permit. However, residents who fail to re-enter Japan within the period of validity will lose their resident status. In addition, please note that the period of validity cannot be extended while abroad.
